VOL. XXXVIII—No. 1 AUGUST, 1975 $1.00 Per Year

Minutes of Board Meeting, May 23, 1975

The Board of Control of the Kentucky High School Athletic Association met in Bowling Green, Kentucky, on Friday, May 23, 1975. The meeting was called to order at 7:30 p.m. by President W. P. Wheeler. Present were Board members, Arthur Hawkins, Jack Fultz, Louie Martin, Eldon Davidson, George Sauer, Ray Story, Frank Simpson, and Fairce Woods; Commissioner J. B. Mansfield, and Assistant Commissioners Tom Mills and Billy V. Wise. Mr. Conley Manning was in attendance representing the State Department of Education. Th invocation was given by Frank Simpson.

Ray Story moved, seconed by Fairce Woods that the reading of the minutes of the April meetinging be waived since members of the Board had received copies in the mail. The motion was carried unanimously.

George Sauer moved that each school whose team participated in the State Girls' Basketball Tournament be given $200.00 to help defray expenses. This is in addition to those already assumed by the Association. The motion was seconded by Arthur Hawkins and carried unanimously.

The Chairman of the Policy Committie, Jack Fultz, stated that the Committee recommended that the salaries for the administrative staff and secretaries for the 1975-76 fiscal year be as follows: Commissioner Mansfield $25,000.00. Assistant Commissioners Mills and Wise $20,000.00. Assistant Commissioner Stout $17,500.00. The secretaries will receive a ten percent increase in salary. Mr. Fultz made the motion that these recommendations be adopted. Frank Simpson seconded the motion and all members voted aye.

Chairman Louie Martin stated that the Retirement Committee recommended that the Board of Control submit a letter to the Board of Trustees of the Teachers' Retirement System requesting that the three Assistant Commissioners of the Kentucky High School Athletic Association be accepted as members of the Teachers' Retirement System effective July 1, 1975, under provisions provided under KRS 161.220-4.f. The Committee recommended that the Board of Control contribute the necessary funds to the Teachers' Retirement System to cover their acceptance. The Retirement Committee further recommended that Article, VIII, Section 1, of the K.H.S.A.A. Pension Plan Agreement contract with Commissioner J. B. Mansfield be changed to show that he "will receive $25.00 for each year of credited service." This would assure Commissioner Mansfield of a retirement plan more nearly equal to that of the Teacher's Retirement System. George Sauer moved that these recommendations be adopted. Jack Fultz seconded the motion and all members voted aye.

Frank Simpson made the motion that upon acceptance of Assistant Commissioners Tom Mills, Billy V. Wise and Louis Stout into the Teachers' Retirement System that the Association no longer pay the premiums on the retirement annuity life endowment policy that is currently being carried on each of them as a part of the Retirement Plan. Present contracts regarding these would become void. However, each one would be permitted to assume title of his policy and pay all future premiums. Futhermore, the Pension Plan agreement with each would become void. George Sauer seconded the motion and it passed unanimously.

The Board of Control approved the recommendations of the State Wrestling Committee and authorized the Commissioner to conduct an opinion poll of principals of schools sponsorng wrestling teams. The subject being the establishment of districts in this sport. It is to be sent after the schools open in the fall. (The minutes of the meeting will appear in the Athlete.)

The possibility of moving the district basketball tournament to the last week in March beginning with the 1977-78 school year was discussed. Mr. Mansfield was instructed to conduct a poll of the member schools to see if they were in favor of this change. The poll will be conducted at the beginning of the 1975-76 school year.

Mr. Mansfield presented a letter from Prin. Ollie Howard of Oldham County High School requesting that the Board send out a referendum to the member schools on whether or not spring football practice should be eliminated. Following a lengthy discussion, Frank Simpson moved that the request be tabled. Eldon Davidson seconded the motion and all members voted aye.

Prin. J. T. Pendergraph, Breckinridge County High School, appealed to the Board of Control to restore Scott Brumfield's eligibility at his school. The correspondence concerning the case was read by the Commssioner. Scott has been a varsity player at St. Romuald and is ineligible for thirty-six weeks. The finances involved and subject offered were the basis of the request. After discussing the case, it was moved by Eldon Davidson, seconded by Fairce Woods, not to restore his eligibility. Eight members voted "aye" and one dissented.

Prin. Jim Bishop, Beechwood High School, requested the Board to restore Christopher G. Riche's eligibility at Beechwood. Christopher attended Covington Catholic where he has been a member of the football team for two years. Increased tuition and other financial matters were the reason for the transfer. Commissioner Mansfield read the correspondence concerning the case and after much discussion George Sauer moved, seconded by Fairce Woods, that Christopher's eligibility not be restored at Beechwood High School. Eight voted in favor of the motion and one dissented.

Prin. Roy A. Weatherly, Hopkinsville High School, requested the Board to restore the eligibility of Louis Knight. Louis was forced to quit school after forty-one days of the first semester, 1974-75, as a result of an accident. The days attended constituted a semester so when he returns he will be in his eighth semester. Louis Martin moved that the Preceding Semester Rule be waived thereby making him eligible for the first semester of 1975-76 only. Eldon Davidson seconded the motion. The motion carried unanimously.

Jack Fultz moved, seconded by Ray Story, that all bills of the Association for the period beginning April 1, 1975, and ending April 30, 1975, be allowed. The motion carried unanimously.

The next meeting was set for July 25, 1975, Friday, 7:30 P.M. (C.S.T.), at Barkley Lake Lodge.

There being no further business, the meeting was adjourned.

Attention, Principals and Superintendents!

Each principal and superintendent will be supplied during the forthcoming school year with a card which will say: "Kentucky High School Athletic Association. This will introduce (name of principal or superintendent), (name of school)." The card will be signed by the Commissioner. Most administrators of Association member schools admit to their home contests fellow administrators as a matter of school policy. However, many times these visitors hesitate to identify themselves to the ticket takers. The card mentioned will assist in this identification.

The identification cards are not to be considered as regular season passes to home games of member schools of the K.H.S.A.A. The determining factor in the cards being accepted as passes is the policy of the individual school.

The identification card may be used for admission to all events at the state level except the State Basketball Tournament. A different plan for issuing these passes, along with passes to the district and regional basketball tournaments, is provided in basketball tournament regulations.

Minutes of Board Meeting, June 12, 1975

Present were Board members, Frank Simpson, Louie Martin, Ray Story, George Sauer, and Fairce Woods; Commissioner J. B. Mansfield, and Assistant Commissioners Tom Mills and Billy V. Wise. THE COACHES CORNER

PRESIDENT'S MESSAGE

As President of the Kentucky High School Coaches Association I am very proud to announce that the K.H.S.A.A. has so very generously allowed us space in The Athlete to keep our state coaches abreast of the happenings of their organization and any information that is felt pertinent to the state coaches.

We, the officers of the K.H.S.C.A., are very pleased that this space has been made available. We have been searching for some means to get our membership more closely involved with the functioning of their organization and we feel this may be one step in that direction.

With a membership of 3,495 we feel we need more coaches giving input into their organization than we have been experiencing the last few years. Too many coaches use membership in the organization as a free pass to games only. It is felt coaches could become involved more, at least by attending a meeting once or twice a year.

In an effort to hopefully make this attendance be a realization, we voted at the business meeting in April, to have an additional meeting during the Boys State Tournament on Friday morning (exact date, time, and location to be announced later). The annual meeting during KEA in April will still be in existence.

Some of the ideas we have for the use of this space would be any form of announcement, K.H. S. C. A. organization business, coaching vacancies, information pertaining to the association clinic, All-Star games, etc. This information will be sent in by the coaches of the state.

We have a lot of kinks to be worked out, however, with some time and effort we believe we will have a real good thing going for our organization.

We extend to The Kentucky High School Athletic Association our very sincere thanks.

Following is a list of the Kentucky High School Coaches Association Officers: President Billy B. Smith (Taylor County High School); Vice-President Pat Dale (Montgomery County High School); Secretary-Treasurer Joe Ohr (Irvine); Sergeant-At-Arms Bob Miller (Campbell County High School.

K.H.S.A.A. President - Billy B. Smith.

CAN ATHLETIC INJURIES AND COST OF ATHLETIC INSURANCE BE REDUCED?

HERE ARE SOME SUGGESTIONS THAT WILL HELP:

1. Secure a team physician. Your local Medical Society can advise on this.

2. Require players to be physically fit and well conditioned before engaging in contact.

3. Do not allow a player with an injury to participate until he has medical approval to do so.

4. Make sure equipment is adequate, in good condition, and that it is properly worn.

5. Consider carefully the length of practice sessions. The latter part of lengthy sessions produces the most injuries.

6. Require injuries to be reported to you promptly and refer those needing attention to the physician at once.

7. Get your players interested in injury prevention and fitness. Any player is more valuable without casts and crutches.

8. Our Cooperative Football Plan and Student Insurance provide excellent coverage, service and economy.

Arthur R. Hawkins

Louie Martin, Principal of the Corbin High School, Corbin, was elected President of the Board of Control at the summer meeting of the directors, held on July 25, 1975. Arthur R. Hawkins of Mt. Sterling was named Board Vice- President.

Louie Martin is a native of Letcher County, Kentucky. In 1957, he received an A.B. Degree from Morehead State University, and in 1960 he received the M.A. Degree from Indiana University. Eastern Kentucky University awarded him a leadership certificate.

Mr. Martin was a teacher and guidance counselor at Fleming-Neon High School for five years prior to becoming and area guidance supervisor with the State Department of Education. For the past six years, he has served as principal of Corbin High School, Corbin, Kentucky. His wife, the former Della Deloyse Jones of Knott County, is an elementary teacher in the Corbin City School System. They are the parents of one daughter, Lyesbeth Anne.

Arthur Hawkins was born in Shelbyville but his early years were spent in Hampton, Virginia. At Kentucky State College he was a member of the 1934 National Negro Championship Football Team. In 1938 he went to the Mt. Sterling DuBois High School as coach in football, basketball, track and baseball where he taught classes in government, history and trades. When DuBois closed seven years ago he went to the Mt. Sterling High School as an instructor. He stays close to athletics by coaching a junior high basketball team and scouting for the Mt. Sterling varsity football team. He received his M.A. degree from the University of Kentucky.

Mr. Hawkins' wife, the former Jane Duncan of Monticello, was a teacher who is now with the State Department of Economic Security. The Hawkins have five children.

Attention Officials!

The attention of all registered K.H.S.A.A. football, basketball, wrestling and baseball officials is called to By-Law 28, Section 9, which provides that the official shall be supplied with an emblem which he shall wear on his shirt sleeve. The emblem is to be worn on the left shoulder shirt sleeve approximately one and one-half inches below the shoulder seam. The shape and make-up of the emblem has been changed this year. The rectangular emblems are of these colors; green for the "registered" official, red for the "approved" and blue for the "certified". It does not have the year on it so that it's use is not limited to a single season unless the status of the official changes.

Recommended uniforms are as follows:

Football—black and white striped shirt (long or short sleevs), black baseball cap with white piping, white knee pants, black belt, black stockings, black shoes and laces;

Basketball (Boys)—black and white striped shirt (short sleeves, long sleeves by special permission), black trousers, black belt, black shoes and laces;

Basketball (Girls)—black and white striped shirt (short sleeves, long sleeves by special permission), black slacks, black belt, black shoes and laces;

Baseball—navy blue or black trousers, black athletic leather shoes (not football shoes), navy blue coat or jacket, navy blue shirt if working coatless, white shirt if wearing coat or jacket, white shirt on bases if all umpires are dressed the same, umpire's navy cap (no player caps), indicator and mask of choice, inner protector or inflated protector (inflate type if official desires to purchase), black belt, black shoe laces, black tie with white shirt.

State Wrestling Committee Meeting

The State Wrestling Committee met in the K.H.S.A.A. office on April 26, 1975, at 10:00 A.M. Present were Chairman Orville Williams, Marshall Patterson, Jerry Abney, Bob Weenolsen, Larry Mann, Raymond Webb, James Smith, Dave Bonnell, Assistant Commissioner Louis Stout and Commissioner J. B. Mansfield.

The Committee requested the Board of Control to submit an opinion survey to the principals of schools sponsoring the sport, to determine the feasibility of establishing districts.

Mr. Weenolsen suggested that coaches and referees attendance at one clinic be mandatory. He submitted a charter for the Kentucky Wrestling Officials Association for K.H.S.A.A. approval.

Marshall Patterson moved that any certification not sent to the regional chairman within one week becomes invalid. Larry Mann seconded the motion and it passed.

A motion by Raymond Webb, seconded by Larry Mann, passed that will require all wrestlers at any level to weigh in for meets and certify.

The Committee, on a motion by Larry Mann, voted to eliminate wrestlebacks at all levels.

The Committee suggests strongly that a doctor be consulted and name the two weight classes in which a contestant should wrestle.

Secretary-Treasurer Joe Ohr gave a financial report concerning the All-Star account, the Coaches Association account, and the various savings accounts. On motion of Ron Finley and seconded by Bowman Davenport, the reports were accepted as read.

On motion of Paul Young and seconded by Ron Finley the reading of the minutes was set aside as they are published in the Athlete.

Vince Gibson, new football coach of the University of Louisville spoke to the group concerning the future of the Cardinals. Gibson predicted that the U of L team will be as good as 80% of the teams in America, stating that there are good football players in the area.

By helping each other — we can help ourselves. Gibson said that he did not want to fight with people, I'll help Curci and other coaches and we, at the University of Louisville would like to help the Kentucky High School Coaches Association in every way possible.

"I am a Christian and we need to build character in our players", and said "that the Players at U of L would get a good education." Gibson told the coaches of the high school athlete that they were fortunate in having boys who respect them.

Regarding recruiting, Gibson stated that it meant more for local athletes to win and that he was going to recruit more Kentucky boys.

Tom Stapleton of Middlesboro was elected "Football Coach of the Year" and was presented a regulation size gold football by Pat Dale, football coach of Danville.

Al Prewitt, basketball coach of the Henry Clay Blue Devils Devils was elected "Basketball Coach of the Year" and was presented a trophy by Joe Ohr, who was representing the 11th region. Prewitt's team was runner-up to Louisville Male for the State Championship. Prewitt is to assist in the coaching of the Kentucky All-Stars in the Indiana series; he is also to coach the East squad in the August 2 game sponsored by the Kentucky High School Coaches Association in Lexington.

Mr. David Bondurant of Lexington appeared before the group and outlined some of the activities that the JayCees of Lexington are planning on promoting, the East-West football and basketball games (ie). He noted that August 2 will be declared All-Star Day by the Governor of Kentucky.

In the discussion of the increase of dues, it was moved by Eck Branham and seconded by Vince Hancock that the "life time membership" based on ten years of coaching be increased from five dollas ($5.00) to ten dollars ($10.00). Motion was passed and is to become effective April 1, 1976.

George Kok moved that the Kentucky High School Coaches Association have a meeting on Friday of the Boys State Basketball Tournament. Paul Young seconded the motion. Motion passed.

On motion of Vince Hancock and a second by Ron Finley, Joe Ohr was reelected Secretary-Treasurer. For the office of Sergeant at Arms, two were nominated — Bill Kercher and Al Prewitt. Prewitt was elected.

Retiring president, Irv Spencer was presented a plaque in recognition for the invaluable service rendered the K.H.S.C.A.

Meeting adjourned at 11:50 a.m.

Grade School Participation

There seems to be some question as to the interpretation of K.H.S.A.A. By-Law 5, Section 2, Grade School Pupil Participation. This regulation states that "No pupil enrolled in any grade below the ninth shall be eligible for more than one year in that grade. Pupils in the grades may play on the high school team (a K.H.S.A.A. member school) and the year so played shall not be counted on the four year limit."

Question and Answer 12 on Page 79 in the K.H.S.A.A. booklet points out that grade school pupils may play on high school teams provided they are passing currently and advance a grade each year. They may not represent a member school at any level if they are repeating the grade even though they did not participate the first year in that grade.

Some maintain that inasmuch as a student is eligible for one year in a grade, so the second year may be selected. This is not the case as he can only be eligible for one year, and that is the first year in that grade.

If a pupil repeats the grade for any reason other than failure, it amounts to what is commonly called "red shirting." It is a generally accepted philosophy that in most instances this practice is undesirable. Unfortunately, the Association has no jurisdiction, and unless there is a local rule, a student may represent the grade school while repeating a grade. Of course, repeating the ninth grade in a junior high school would cause two additional semesters to be counted against his eight.

Students below the ninth grade, or if in the ninth grade of a junior high school, must represent the high school they plan to attend as playing on the first team in any sport puts them under By-Law 6, Transfer. This would cause them to be ineligible if they enroll at another high school. This should be explained to all grade school pupils before permitting them to take part in a first team contest in any sport.

VOLLYBALL RULES BOOKS

The Association has a limited number of National Federation Volleyball Rules books in stock. A copy may be purchased by remitting $1.00 to cover the cost of the book.

THE COACHES CORNER

EXECUTIVE MEETING

The following officers of the Kentucky High School Coaches Association met at the Holiday Inn, in Bardstown, Sunday, September 21, 1975. Members present were Billy B. Smith, President; Pat Dale, Vice-President; Al Prewitt, Sgt.-At-Arms; Joe Ohr, Secretary-Treasurer, and Eck Branham, All-Star Game Manager.

After a brief discussion the officers unanimously agreed to send an additional $500.00 to the family of Greg Adams, a Madison Central athlete, who suffered severe injuries in a spring football drill. This is the second grant to be made to the Adams youth.

Confirming the action of a previous meeting the officers chose Pat Dale to represent the Kentucky High School Coaches at the annual meeting of the National Coaches Association at Orlando, Florida in June of 1976. The Kentucky High School Coaches Association became affiliated with the National Organization this year.

The prime reason for the meeting was to discuss the status of the All-Star football and basketball games sponsored by the Kentucky High School Coaches Association. Since the Association lost approximately $11,000.00 on the games played in August and since the N.C.A.A. must sanction the games, it was the opinion of those present that no decision be made until the officers meet with the Board of Control of the Kentucky High School Athletic Association on October 11.

The executive board voted that Joe Ohr be authorized to transfer $1,000.00 from the Coaches Association fund to the All-Star fund. This is being done to pay several outstanding bills.

In Memorian

McCoy Tarry

McCoy Tarry, one of the legendary figures in Kentucky high school basketball history, died October 27, 1975, in Louisville. He was 62 years old.

Tarry, who two years ago retired as superintendent of schools at Eminence in Henry County, was best known for the successful and colorful teams he coached at Brewers, once a tiny high school in Marshall County. In 1947, while coaching at Brewers, he took his team to the championship game at the State Tournament but lost to Maysville 54-50. The following State Tournament he won over Maysville with a score of 55-48. In 1948 Mr. Tarry was The Courier-Journal's Coach of the Year. Later that spring, he went to Memphis State as head coach.

In all, Tarry tok four Brewers teams to the "Sweet 16" classic, the other years being in 1944 and 1946. But in the minds of most Kentuckians, Brewers' year was 1948. Then, Scholastic Coach Magazine ranked the team No. 1 among Class A schools in America.

BOARD MINUTES

(Continued from Page One)

Mr. Mills then read a letter from Mr. & Mrs. Andrew J. Gall requesting that the Board restore the eligibility of their son, David, who is ineligible under the provisions of By-Law 6, Section 1, Transfer Rule. David attended St. Thomas High School in grades 9, 10 and 11, and transferred to Highlands High School for the 1975-76 school year. He participated in athletics at St. Thomas High School. Commissioner Mansfield had informed Principal Chester Turner by letter on September 23, 1975, that David was ineligible for athletics at Highland High School. The members of the Board went on record as being in full agreement with Mr. Mansfield's decision.

The Board next considered the case of Terry Brumback, a student at Beth Haven Christian School who is ineligible to participate in athletics under the provisions of By-Law 6, Section 1, Transfer Rule. After carefully considering the facts in the case, Frank Simpson moved, seconded by George Sauer, that By-Law 6, Section 1, not be waived. The motion passed unanmiously.

The Board then reconsidered the eligibility case of Mike Shirley, a student at Harrison County High School who is ineligible under the provisions of By-Law 6, Section 1, Transfer Rule. Following a lengthly discussion, George Sauer moved, seconded by Denval Barriger that the eligibility of Mike Shirley be restored at Harrison County High School. All members voted in favor of the motion.

Eldon Davidson suggested that the Board study the possibility of playing the Girls' State Basketball Tournament on a high school regulation size court. President Martin appointed a committee composed of Mr. Davidson, Cecil Reid and Denval Barriger to study this situation and report their findings to the Board at a future meeting.

Jack Fultz moved, seconded by Ray Story, that all bills for the period beginning July 1, 1975, and ending September 30, 1975, be allowed. All members voted aye.

The Board of Control set the next meeting date for December 20, 1975, at 9:30 A.M. at the K.H.S.A.A. Building in Lexington.

There being no further business, the meeting adjourned at 3:15 P.M.

SUBJECT: CO-OPERATIVE FOOTBALL PLAN

Many Kentucky high schools participate in the Co-operative Football Plan. Over the years, this plan has provided maximum protection at a minimum cost for your players. The plan has changed very little from year to year and, while I feel that the coverage is adequate, you may have some other ideas about it.

I would like to have your comments as to how you feel we can improve the plan. Any increase in the benefits will result in a corresponding increase in the cost of the plan to your school. But it may be necessary to do this in order to keep up with the increases in hospital and medical costs.

Your ideas are important. Let me hear from you.

Delegate Assembly Members

Members of the Delegate Assembly at the forthcoming 1976 annual meeting of the Association were elected by the principals of K.H.S.A.A. member schools on ballots returned to the State Office before November 15. There were several ties in the voting for delegate and alternate. These ties were broken recently, with the delegates and alternates determined by lot. Article IV, Section 2-b, of the Constitution states in the last sentence "If the duly elected delegate or alternate does not answer the roll call at the annual meeting of the Delegate Assembly, the district shall remain not represented." The names of the district representatives are as follows:

Attention, Principals and Superintendents

The forms to be used for ordering tickets to the State Basketball Tournaments will be mailed in December. Instead of trying to get the order postmarked January 2, as indicated on the Memorandum Calendar, you may send anytime through January 15 without loss of priority. The Board of Control has set up a seating rotation plan to be used from one year to another for distributing the tickets calling for seats in the arena. Also, this will give you additional time to prepare the order.

COACHES CORNER

Executive Meeting

Due to the recent illness of Commissioner Joe B. Mansfield the executive board postponed the scheduled meeting with the K.H.S.A.A. Board of Control, scheduled for October 11, concerning the problems arising from the All-Star games. The officers of the executive board did meet with Assistant Commissioner Tom Mills at the K.H.S.A.A. offices on November 12, 1975, concerning the All-Star games. Members present were Billy B. Smith, Pres.; Pat Dale, Vice-Pres.; Al Prewitt, Sgt.-At-Arms; Joe Ohr, Sec.-Treas.; Bob Miller, Sgt.-At-Arms elect; and Eck Branham, All-Star Game Manager.

Mr. Mills explained the position of the K.H.S.A.A. concerning their board's action of not sanctioning any all-star games. It was explained that the K.H.S.A.A. was not against the Coaches All-Star Games, but since the games involved players after their graduation from high school the games would have to be sanctioned by the N.C.A.A. Mr. Mills said that he would write a letter to the N.C.A.A. office stating the accomplishments of the games over the past twenty-three years and what the games had meant to Kentucky High School Athletics.

Following the meeting with Mr. Mills the executive board went into session to discuss what course of action should be taken concerning the All-Star games. It was the decision of the board that applications for N.C.A.A. sanction should be taken immediately since the dead-line for application was December 1. The committee also requested Joe Ohr to contact the N.C.A.A. office by telephone to see if it would be necessary for the Coaches Association to be represented personally in order to explain the operation of our organization and the games we have been sponsoring. It was decided that if it became necessary, Pres. Billy B. Smith and Sec.-Treas. Joe Ohr would go to Kansas City and meet with the N.C.A.A.

Further information concerning the All-Star games will be presented at the Coaches Association meeting during the State Basketball Tournament. This will be the first year for this new meeting and it is hoped that attendance will be increased. The date is Friday, March 26, 1976. The meeting will be held at the Executive Inn West. Make plans to attend, this is your association.

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Assocition met at the K.H.S.A.A. Building, Lexington, on Saturday, December 20, 1975. The meeting was called to order by President Louie Martin at 9:30 A.M. with all Board members, Acting Commissioner Tom Mills and Assistant Commissioners Billy V. Wise and Louis Stout present, Conley Manning was present representing the State Department of Education. The invocation was given by Arthur Hawkins.

Arthur Hawkins moved, seconded by Ray Story, that the reading of the minutes of the October 11 meeting and the Special Board Meeting of November 29, be waived since members of the Board had received copies of the minutes. The motion was carried unanimously.

Mr. Charles Kostas of Fort Mitchell, Kentucky, came before the Board to request that the eligibility of his son, Kenneth, be restored at Dixie Heights High School. Kenneth is ineligible under the provisions of By-Law 6, Transfer Rule. Following the presentation of Mr. Kostas and a discussion by the members of the Board, George Sauer moved, seconded by Ray Story that the eligibility of Kenneth Kostas not be restored. The motion passed unanimously.

Mr. Mills presented a letter from Athletic Director Donald Brooks, Durrett High School, requesting that the eligibility of Rodney Hinkle be restored. Rodney is ineligible under the provisions of By-Law 8, Contestant on Other Team. After discussing the case, Cecil Reid moved, seconded by Gene Sell, that the eligibility of Rodney Hinkle not be restored. All members voted aye.

The next case presented was that of Bobby Upchurch, a student at Somerset High School. Bobby participated on the Pulaski County High School basketball team during the 1974-75 season. He transferred to Somerset High School at the beginning of the 1975-76 school year, and was declared eligible to participate there when the Principal of Pulaski County High failed to check on the K.H.S.A.A. transfer blank that Bobby had participated on the varsity basketball team. This error was discovered after the season began. The correct information was then forwarded to the K.H.S.A.A. George Sauer made the motion that due to additional information received by the K.H.S.A.A. verifying the fact that Bobby Upchurch participated in varsity basketball at Pulaski County High School and has since changed schools without a corresponding change of residence on the part of the parents, he be declared ineligible to participate in athletics at Somerset High School for a period of thiry-six school weeks from the date he enrolled there. The motion further stated that there was to be no penalty for Somerset High School. The motion was seconded by Gene Sell and all members voted aye. Mr. Mills was instructed to send a letter of reprimand to the principal of Pulaski County High School for his failure to submit correct information to the K.H.S.A.A.

A letter was presented to the Board from Mr. L. Stephen Traw, Director of Model High School, requesting that Sean Schubert be permitted to participate on the Model swim team. Sean is not enrolled at Model, but is a sixth grade student at Kit Carson Elementary School in Madison County. Cecil Reid moved, seconded by George Sauer that Sean Schubert not be permitted to swim for Model High School since he is not enrolled in that school. The motion passed unanimously.

The next case presented was that of Betty Baird, a student attending Kentucky Country Day School, who is ineligible under the provisions of By-Law 6, Transfer Rule. Following the presentation of the facts, Eldon Davidson made the motion that the Commissioner seek legal advice on this case and report his findings back to the Board at its January 23 meeting. Cecil Reid seconded the motion and all members voted aye.

Principal John Reschar, Fern Creek High School, came before the board representing the Policy Committee for the assignment of officials in Regions 6 and 7. Mr. Bob Cravens, Assigning Secretary for those Regions was also present. The reason for the visit was to make the Board aware of some of the problems involved in the assigning of officials in these two regions and to request the support of the Board of Control in helping to solve these problems. Following a lengthly discussion, Cecil Reid moved, seconded by Frank Simpson, that Acting Commissioner Mills and Assistant Commissioner Wise meet with the Policy Committee concerning the problems presented. The motion passed unanimously and President Martin thanked Mr. Reschar and Mr. Cravens and assured them that the Board would take the necessary action to help solve their problems. Mr. Reschar and Mr. Cravens thanked the Board for their time and support.

Tom Mills reported that the football championship playoffs were very successful. Financial reports have been received from all game managers, indicating that all expenses have been paid with shares of profit having been sent to the schools involved. After a discussion concerning an additional amount to be alloted to each team taking part in the final games, upon recommendation of Mr. Mills, Jack Fultz moved, seconded by Cecil Reid, that each of the eight teams involved shall receive an additional amount of $1,000.00. The motion carried unanimously.

Mr. Mills recommended that the following regulations concerning the fees for districts, regional and state basketball tournaments be adopted. Minutes of Special Board Meeting
Bowling Green, Kentucky

November 29, 1975

The Board of Control of the Kentucky High School Athletic Association met in special session at the Holiday Inn, Bowling Green, Kentucky, on November 29, 1975. President Louie Martin called the meeting to order at 10:00 A.M., with all Board Members, and Assistant Commissioners Tom Mills, Louis Stout and Billy V. Wise present. Conley Manning was present representing the State Department of Education. The invocation was given by Frank Simpson.

The first item of business was the discussion on a proposed Kentucky High School Basketball Radio Network, as submitted by Jim Host and Associates. The Board discussed at length the provisions of the proposal as well as the advantages and disadvantages of entering into such an agreement. Mr. Garland West, President of the Kentucky Broadcasters Association was invited to speak to the Board concerning the views of the broadcasters. He requested that the Board give further study to the situation before making a decision and requested that a representative of the K.H.S.A.A. be present at the January 20, 1976, meeting of the Kentucky Broadcasters Association.

Eldon Davidson made the motion that a decision be withheld until the December meeting of the Board. Frank Simpson seconded the motion and all members voted aye. Mr. Mills was then instructed to gather additional information on the subject and present it at the December meeting.

Jack Fultz, Chairman, stated that the Policy Committee had the following recommendations: That Commissioner Joe Billy Mansfield be placed on extended medical leave of absence due to his illness and that he receive his regular salary during this time. The Committee further recommended that Tom Mills be named Acting Commissioner during the absence of Mr. Mansfueld.

Mr. Gene Sell made the motion that the recommendations of the Policy Committee be adopted. Arthur Hawkins seconded the motion and it passed unanimously.

The next item for discussion was a request from Superintendent E. C. Grayson, Jefferson County Public Schools, that By-Law 29, Requirement for Coaches, be waived to permit two coaches to serve as head coaches for girls basketball at one school while teaching at another. The Board gave a great deal of discussion to this request before reaching the decision that they did not feel it in the best interest of the K.H.S.A.A. or member schools to grant this request. Mr Mills was instructed to inform Superintendent Grayson of this decision.

Some discussion was given to the possible adoption of a "Due Process Procedure" by the Board, outlining the proper procedure for appealing a decision of the Executive Secretary or the Board of Control. Mr. Mills was instructed to gather information for Board consideration.

There being no further business, the meeting was adjourned at 12:15 P.M.

In the event that it is necessary for the official to remain over night at the tournament site, he or she shall be paid an additional $20.00 per day for lodging and meals. The same rates shall apply to both boys and girls tournament officials. Frank Simpson moved, seconded by Cecil Reid, that the regulations recommended by Mr. Mills be adopted.

Mr. Mills submitted a joint bid received from WKYT-TV, Lexington, and WHAS-TV, Louisville, in the amount of $10,500.00 for the television rights of the 1976 semi-final and final games of the Boys' High School Basketball Tournament. Frank Simpson moved, seconded by Arthur Hawkins, that this bid be accepted. The motion passed unanimously.

Under regulations governing tournament broadcasting rights, Ray Story made the motion that a 50% increase in the 1975 rates be adopted for the 1976 State Tournament. Denval Barriger seconded the motion and all members voted aye.

Mr. Wise presented a request from Principal Charles P. Holsinger, that Russell High School be permitted to change class and regions in football for the 1976 season. George Sauer moved that since one year remains in the two year classification period that permission to change be denied. Denval Barriger seconded the motion and it passed unanimously.

Jack Fultz moved, seconded by Ray Story, that all bills of the Association for the period beginning October 1, 1975, and ending November 30, 1975, be allowed. The motion was carried unanimously.

The next meeting dates for the Board were scheduled for January 22, 1976, at 2:00 P.M. and January 23, 1976, at 9:30 A.M. The meetings are to be held at Stouffers Inn in Louisville.

There being no further business the meeting was adjourned.

COACHES CORNER

The application of the Kentucky High Scrool Coaches Association has been mailed to the NCAA along with a financial record of the All-Star games played since 1952. A copy of the Constitution and By-Laws and grants that have been made to players and coaches who need assistance to meet excessive medical bills was also sent to the NCAA.

The delay of sending out ballots for nominating football players will be held up until word is received from the NCAA which will not be until the second or third week in January, 1976.

There will be a meeting of the Coaches Association during the Boys' State Basketball Tournament on Friday, March 26, 10:00 A.M. at the Edinbourgh Room, Executive Inn West, Louisville, Kentucky. We will have a complete report of the all-star games at that time.

Ed Branham, Game Director

DUE PROCESS PROCEDURES

MARCH 17-20, 1976

The Board of Control of the Kentucky High School Athletic Association adopted the following Due Process Procedure for appealing decisions of the Commissioner or Board of Control, effective July 1, 1976.

1. **Aggrieved Parties May Appeal Decision**
   If a participant, parent, contest official, coach or member school is dissatisfied with a decision of the Board of Control or the Executive Secretary's interperting a provision or provisions of the Constitution, By-Laws or rules and regulations of the Association, and such individual or school is an aggrieved and affected party, such a party may within fifteen (15) days of the receipt of the decision, submit in writing by certified mail, return receipt requested, a notice of appeal of the decision and a request for a formal hearing.
2. **Investigation**
   The Executive Secretary or his staff, or such representative of the Association designated by the Board of Control srall investigate all matters upon which the appeal is based. Investigations shall be performed so as to bring the matter to hearing, unless for cause otherwise shown, no later than the next regular regularly scheduled meeting of the Board.
3. **Notice**
   After completion of the investigation, the Executive Secretary shall notify the appealing party, by certified mail, return receipt requested, of the time and place set for a hearing on the appeal. The notice shall be given at least seven (7) days in advance of the time set for the hearing. The hearing shall be conducted in conjuction with a regularly scheduled meeting of the board, provided that the matter may be heard at a special meeting of the Board in the event that the appealing party agrees to pay all the costs incidental to such special meeting.
4. **Attendance at the hearing**
   Representatives of member schools, contest officials, students, parents and coaches who are appealing parties are entitled to attend hearings. In the instance of a student submitting the appeal, such student may be represented by the member school that the student attends. Any person entitled to be in attendance at such hearing, may represent themselves. Such persons are also entitled to be represented by counsel, provided that they notify all other parties involved in the appeal of the name, address and telephone number of such counsel at least three (3) days in advance of the hearing.
5. **Board of Control to Hear Appeals**
   The Board of Control of the Association shall hear all appeals brought under the provisions of these rules. The President of the Board of Control may appoint a hearing officer to preside over the hearing or he may act as the hearing officer himself. The hearing officer may, at the beginning of the hearing, ask for statements clarifying the issues involved or upon which factual matters the appealing party will stipulate and agree to. The Executive Secretary shall make available written copies of his investigation, and may give testimony relative thereto. The appealing party shall present its defense and proofs. The parties may offer such evidence, including the testimony of witnesses, as they desire and which is relative to the proceedings. Each party shall have the right to cross examine witnesses of the adverse party. All parties shall be afforded the opportunity to examine all documents introduced.
6. **Closing of Hearing**
   The hearing officer shall specifically inquire of all parties whether they have further evidence. Upon receiving negative replies, the hearing officer shall declare the hearing closed.
7. **Hearing in Absence of a Member**
   The hearing may proceed in the absence of any party, who after it is shown has received due notice thereof, fails to be present or fails to request an adjournment. Adjournments may be requested of the hearing officer upon the request of a party or upon the initiative of the hearing officer. However, a decision shall not be made solely upon the default of a party, but shall be based upon the evidence in the matter before the Board.
8. **Decision of Board**
   The decision of the Board of Control shall be made within seven (7) day of the closing of the hearing. The decision shall be in writing, signed by the Executive Secretary and shall state the findings and conclusions of the Board. It shall be mailed to the appealing party by certified mail, return receipt requested. All decisions of the Board shall be final and nonappealable except as provided by these rules.

COACHES CORNER

"Coaching-Forgotten Item"

One of the most forgotten items in coaching is the liability protection of the coach himself. All the time involved in working with your team could mean that in some instance, one of your players will get hurt.

Most coaches run their program the year around, getting ready for the next year, which could add more chance of injury to a player.

Many times, an off-season program is not properly supervised, because we all get a little relaxed at times. A player gets hurt, who will pay the medical bills? Who is responsible? Who will be blamed in a law suit by the parents? The coach.

Too many times we have been lucky and gotten by, but the one time that we don't get by could mean that some coach will lose all material possessions that he has built up for himself and his family.

The only way that we can be more safe than sorry, is that we must have proper liability insurance to cover any type of law suit. Remember, you, as the player's coach are held responsible for the safety of your players.

Check with your administration for additional insurance policies to cover you. This coverage can be done in two ways. Either by coverage on your home owners policy or by a policy that will cover you in liability only. The extra cost of five to ten dollars per year will be worth the cost in mental relief. Remember, it only has to happen once, and we could pay for the rest of our lives. — By The Kentucky High School Coaches Association.

BOARD MINUTES

(Continued from Page One)

carried unanimously.

Board members George Sauer, Brother John Wills Principal of St. Xavier High School, and Dr. Irvine Rice, Westport High School, came before the Board to present a proposal for redistricting the Class AAAA football schools in Jefferson County for the 1977 and 1978 seasons. After hearing the comments on the proposal from the representatives, and after a lengthy discussion, Ray Story made the motion that the plan be adopted for the 1977 and 1978 seasons. Denval Barriger seconded the motion and all members voted aye. President Louie Martin commended Mr. Sauer, Brother Wills and Dr. Rice for their presentation and expressed his appreciation to the member schools for their cooperation. The adopted proposal will be included in a future copy of the Athlete.

Some discussion was then given to a request that the size of the court be reduced to high school regulation for the girls state basketball tournament. Board member Eldon Davidson explained that he had discussed this with Mr. Don Combs, Athletic Director, Eastern Kentucky University, and was assured by Mr. Combs that this could not be done without extensive remodeling of the present facilities.

Mr. Stout requested permission from the Board to poll the schools for possible changes in the present playoff system in wrestling. Mr. Stout was instructed to conduct the poll and report the results to the Board for consideration.

The meeting then adjourned to be called to order Friday morning at 9:30, January 23, 1976.

The January 23 meeting was called to order by President Martin with the same members in attendance. The invocation was given by Arthur Hawkins.

Mr. Mills presented a letter to the Board from Dr. Fred Williams, Superintendent of Fort Thomas City Schools, requesting that the Board pay attorney fees in the amount of $802.72 to Mr. Robert Ruberg for legal service rendered in the case of Gall vs. K.H.S.A.A. and Fort Thomas Board of Education. The K.H.S.A.A. also received a statement from Mr. Ruberg in the amount of $300.00 and one from K.H.S.A.A. Board attorney M. Calvert T. Roszell in the amount of $500.00. Frank Simpson made the motion that the K.H.S.A.A. pay only that portion of the cost that was billed to the K.H.S.A.A. Ray Story seconded the motion and it passed by a vote of 8 to 1. Mr. Gene Sell opposed the motion.

The eligibility case of Betty Baird was presented to the Board for consideration. Betty is ineligible under the provisions of By-Law 6, Section 1. She represented Ballard High School in varsity sports as an eighth grade student at Ballard Junior High School during the 1974-75 school year. She transferred to Kentucky Country Day School to begin the 1975-76 school year. After considering the case, Gene Sell made the motion that By-Law 6, Section 1, Transfer Rule not be waived in this case. Arthur Hawkins seconded the motion and all members voted aye.

Mr. Mills presented a proposed Due Process Procedure whereby aggrieved parties may appeal decisions of the Commissioner or Board of Control. Following discussion of the proposal George Sauer moved that the Due Process Procedure be adopted, effective July 1, 1976, that it be publised three (3) times per year in the "Athlete," and that it be included in the next publication of the Constitution and By-Laws. Ray Story seconded the motion and it passed unanimously. Mr. Mills was instructed to release the information to the news media in its entirety.

Jack Fultz moved, seconded by Gene Sell, that all bills of the Association for the month of December be allowed. The motion was carried unanimously.

The next meeting date for the Board was scheduled for Friday, March 26, 1976, at 9:00 A.M. at Stouffers Inn, Louisville.

There being no further business, the meeting was adjourned.

KAPOS NEWS
STATE TOURNAMENT INFORMATION

Cheerleader and Sponsor Registration: All cheerleading squads and/or sponsors are asked to stop by the KAPOS table in Freedom Hall to:

1. Register your squad
2. Pick up important information and materials for your and your school

Along with a KAPOS board member, there will be high school cheerleaders on hand to assist you. They can be identified by their hostess armbands. Feel free to ask them for help, and in turn they may seek you and your cheerleaders to be interviewed by one of the radio commentators. In order to make their task easier, we are asking that you register your seat, row and section number. A possible radio interview is often missed because the guides could not locate the desired person in time for the interview.

Hospitality Room: May we remind all sponsors and cheerleaders that KAPOS has a Hospitality Room, located in Freedom Hall. We cordially invite you to have refreshments, socialize with friends, exchange ideas, and perhaps get help with your problems.

"Sweet Sixteen" Cheerleading Squads: **Attention Principals!** If your team will be participating in the State Tournament, included in the packet sent to you by the KHSAA will be a letter pertaining to your cheerleading squad. Be sure to look for this and relay all information to your cheerleader sponsor. We request that your cheerleaders be chaperoned by a well qualified, school approved adult. Verification of this, along with your sponsor's name, must be contained in the letter of confirmation which you will receive. This letter must be in the hands of a KAPOS officer prior to the time that your cheerleaders take the floor.

State Tournament Cheerleading Champions: Important! Please be sure that your school is a paid up member of KAPOS in order for your squad to compete for the top cheerleading award in the State Tournament. The winner of this award will be determined by use of the KAPOS Judging Sheet, a copy of which will also be included in the packet sent by the KHSAA to the winners of the sixteen regions.

STATE-AT-LARGE CHAMPIONS

Beginning at the District Tournament games, all squads that are KAPOS members are eligible to be judged for the honor of representing their district in the KAPOS Region-at-Large cheerleading competition. The winner and runner-up of each district will progress to the region. In turn, the winning squad from each region is allowed to compete for the title of State-at-Large Cheerleading Champions.

Judging for the State-at-Large winners will take place at 8:30 A.M. on Friday, March 26, in the Atherton High School Gymnasium, 3000 Dundee Road, Louisville. The public is invited to this outstanding event. The admission charge of $1.00 per person will go toward the expenses of the KAPOS scholarship award, details of which are supplied below. We are grateful to the administrators of Atherton for their generosity in opening the doors of their school to us for this competitive event. We trust that they will have no cause to fault our behavior. All cheerleaders and guests will be expected to be remindful that they are guests in the "home" of Atherton High School.

At the conclusion of the judging at Atherton, the top four squads and their order of finish will be announced. However, the trophy presentation will be held as indicated in the following section.

AWARDING OF TROPHIES

KAPOS is pleased to honor outstanding cheerleading squads with the recognition they so well deserve. All cheerleader awards will be presented between games on Friday night of the State Tournament. The awards are as follows:

State Tournament: The winning and runner-up cheerleading squads will receive trophies, with the third and fourth place squads being awarded plaques. All tournament cheerleading squads and their sponsors are asked to be located close to the playing floor so that they can easily come to the floor should they be called for an award.

State-at-Large: Recognition is now being given to cheerleading squads other than those sixteen fortunate enough to participate with their teams in the State Tournament. The winner will receive the Ted Sanford trophy, while the runner-up will be awarded the Jane Meyer trophy. Plaques will be given to the third and fourth place squads. The top four squads of the State-at-Large Judging (held Friday morning) are asked to report in uniform, with their sponsors, at the north end of the arena five minutes prior to the conclusion of the first game on Friday night.

It is indeed possible for one squad to be both State Tournament and State-at-Large Champions.

GOVERNOR CARROLL DECLARES GOOD SPORTSMANSHIP WEEK

While every week should be Good Sportsmanship Week, KAPOS has always tried to put special emphasis on being a good sport at State Tournament time. Being a good sport is part of being a good citizen. We don't belive that good citizens need to be reminded to exemplify good sportsmanship. However, it is especially fitting at tournament time to remind all citizens that it is a privilege to be able to attend the games and that each individual can contribute to the success of the tournament if he will abide by the KAPOS Sportsmanship Creed proclaimed by Governor Carroll. The Governor's proclamation is on display at the KAPOS table.

NOTE TO ALL ADMINISTRATORS

Many of you have responded to our SOS in releasing teaching personnel to assist with the many tasks necessary to keep this organization functioning effectively.

Again, we need judges and personnel to help at the tournament. This involves at least 12 to 15 people. It is also backbreaking, tiresome work. However, we have many dedicated women who have indicated a willingness to help share these duties provided they get a release from their administrators. Therefore, the KAPOS board is seeking your understanding and cooperation should you be asked to release a teacher from her duties to help carry on the work that KAPOS is doing to make cheerleading a worthwhile educational experience in the State of Kentucky.

STELLA S. GILB SCHOLARSHIP

KAPOS is happy to annually award the Stella S. Gilb Scholarship to an outstanding and well-deserving cheerleader from Kentucky. One of your cheerleaders may be a potential scholarship winner, so get your applications in early. Applications must be turned in no later than April 15. Write a KAPOS officer for application forms, or pick them up at the State Tournament KAPOS table.

SUMMER CHEERLEADER CLINICS

Clinic I: July 5-9 Clinic II: July 11-15

Each year cheerleader clinics are held on the University of Kentucky campus, with classes geared to all interest and ability levels. Brochures giving details of the clinics can be obtained at the State Tournament KAPOS table by contacting Mrs. Milly Rodes, (606) 266-4601, or by writing the College of Education, Business Office, Dickey Hall, University of Kentucky, Lexington, Kentucky 40506.

Sport of Table Tennis

(Continued from Page One)

basic rules, practice constantly and maintain good physical condition.

A very important aspect of table tennis is the fact that all the skills learned in this sport are useful in other sports. For example, Brooks Robinson, star player for the Baltimore Orioles, stated that table tennis had helped him develop the quick reflexes required in baseball.

Table Tennis has gone through a growth spurt ever since it penetrated the Great Wall of China in 1972.

Many high schools now have programs, some on a club basis, others as part of physical education.

Through the efforts of the Lexington Table Tennis Club and the Corbin Optimist Club, the first Kentucky High School Table Tennis Team Championship will be held.

The tournament will take place in Corbin, Ky. on Saturday, April 3, 1976.

Each high school may enter one or two teams, with three to five players on a team. Junior high school students may represent the high school in their district.

For further information and entry blanks, contact Tex Friedman, 307 Lakeshore Drive, Lexington, Ky. 40502 or David Hoskins, 1214 Parson St., Corbin, Ky. 40701.

COACHES CORNER

Hey Coach!! This is your Corner. This is the focal spot, the crossroads of news for the coaches. You asked for it!!! Let's make it a successful page!!!

The KHSAA was kind enough to allot us space in the Athlete each month. Let's make good use of this space.

The next issue will be an excellent time to list any open dates that you will have in the future.

Mark your calendar for two big and important meetings for our Kentucky High School Coaches Association.

Our first important meeting will be held at the Boys' State Tourney on Thursday morning, March 25th at 9:30. Coffee and doughnuts will be on hand for the early birds.

The meeting will be held in the Executive Inn, West (Probably in the Edinburgh Room.)

The next and second important meeting will be held in the same place on April 16th, at 10:00 A.M., during the KEA Convention.

Your Executive Committee met on February 16, and discussed many problems that must be resolved by the membership.

Take an active part in helping your professional organization grow in stature.

Many problems concerning our all-star games have arisen. We are definitely going to have the games this year but we need your help in putting more enthusiasm in the games — do you have any suggestions on the improvement of the games? If so send your suggestion to "Coaches Corner".

What suggestion do you have for the good of the KHSCA? Don't hesitate! Any idea is worth exploring. Send it in!!!

Al Prewitt, Basketball Coach of Henry Clay High School will be collecting and editing next month's "Coaches Corner." Send all ideas, notes, etc., to him at Henry Clay High School, Lexington, Ky.

— Bob Miller

1976 Annual Meeting

The business meeting of the K.H.S.A.A. will be held on Thursday, April 15, at 2:00 P.M., in the Roof Garden, Brown Education Building, Louisville.

As provided in Article IX, Section 1, of the K.H.S.A.A. Constitution, the following changes in the Constitution and By-Laws will be acted upon by the Delegate Assembly.

PROPOSAL I

The Board of Control proposes that Article III, Membership, be changed to read: "This Association shall be composed of secondary schools which have been accredited by the Kentucky State Department of Education, and which agree to comply with the provisions of the K.H.S.A.A. Constitution and By-Laws. No school shall become a member or continue to be a member whose detailed financial (athletic or otherwise), scholastic, and attendance records are not matters of public property or record. Junior high schools shall not be eligible for membership."

PROPOSAL II

Rev. Thomas Duerr, Principal (Trinity High School), proposes that By-Law 5, Section 2, be changed to read: "No pupil enrolled in any grade below the ninth shall be eligible to play on any high school team."

PROPOSAL III

The Board of Control proposes that By-Law 5, Section 4, be changed to read: "Sec. 4, Preceding Quarter, Trimester and Semester Enrollment—To be eligible during any quarter, trimester or semester a student must have been enrolled in school during the immediately preceding quarter, trimester or semester and must have passed for that quarter, trimester or semester in at least three full-credit high school studies or their equivalent in units of credit accepted for graduation; or in three-fourths of the grade school studies, or have made up any deficiencies in that amount of work, in accordance with the established custom of the school, within two weeks after the beginning of the current quarter, trimester or semester."

PROPOSAL IV

The Board of Control proposes that By-Law 5, Section 5, be changed to read: "No student who is enrolled or connected with any other school than the one he represents shall take part in any contest."

PROPOSAL V

The Board of Control proposes that By-Law 6, Section 2, be deleted in its entirety.

PROPOSAL VI

Principal Cletus Hubbs (J. M. Atherton High School), proposes to add the following to By-Law 27, Section 2, "Spring football practice in full gear shall be limited to twenty (20) days and must be completed by March 31."

PROPOSAL VII

Principal Lewis Marcum (Middlesboro High School), proposes to change By-Law 27, Section 5, to read: "Prior to the football or basketball season a team may have only four scrimmages, or four practice games, or four pan-o-rama games, or any combination of these not to exceed four with players, other than members of the squad."

PROPOSAL VIII

Headmaster Edwin B. Heile (Covington Latin School), proposes that the last sentence of By-Law 27, Section 5, be changed to read: "Prior to the opening game of regular season a basketball team may have four practice games with players other than members of the squad. For non-football playing schools these must be played after October 15. For football playing schools these must be played after November 1."

PROPOSAL IX

The Board of Control proposes that By-Law 29, Requirement for Coaches, be changed to read: "All head coaches of athletic teams of members of this Association shall be certified teachers and members of their regular school faculties. Assistant coaches shall be certified teachers and should be members of their regular school faculty. However, they may teach in an elementary, middle school or junior high school within that school district. All Coaches shall be regularly employed by their Boards of Education, and their entire salaries shall be paid by such boards; they shall teach a minimum of three regular periods of classes, gymnasium, study halls, or other activity assignments within the school's schedule. In the event a system has only one high school or does not employ male teachers, such school may make application to the Commissioner for a temporary waiver of this rule. If in the opinion of the Commissioner the request is justified, he may waive this rule, but in no case shall such waiver extend beyond the school year for which such a request was made. All schools shall comply with this provision in order to qualify for and to maintain membership in this Association."

PROPOSAL X

The Board of Control proposes that the last two sentences in the FIRST paragraph of By-Law 35 be deleted.

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at Stouffer's Inn, Louisville, on Friday, March 26, 1976. The meeting was called to order by President Louie Martin at 9:30 A.M. with all Board members, Acting Commissioner Tom Mills, Assistant Commissioners Louis Stout and Billy V. Wise present. Mr. Conley Manning was present representing the State Department of Education and Darrell Wells was in attendance representing the State School Boards Association. The invocation was given by George Sauer.

Following the reading of the minutes of the previous meeting, Frank Simpson moved that they be approved as read. Ray Story seconded the motion and all members voted aye.

The Acting Commissioner reported the results of the recent balloting for Board membership. In Section 7 the votes were as follows: Paul Trimble, 22; Frank Welch, 14. Jack Burkich was elected in Section 8. He was the only candidate in that Section. In the election to replace the two black members on the Board the results were as follows: The first eight regions — Charles K. Henry, 31; Joseph McPherson, 58; Caldwell Smith, 35. The second eight regions — E. R. Gray, 29; Norman Passmore, 81; Wilbur A. West, 35. The terms of the newly elected members begins on July 1, 1976.

There was a discussion of new proposals to be submitted by the Board and member schools at the forthcoming 1976 Delegate Assembly. A list of these proposals appear elsewhere in this issue of the ATHLETE, and copies have been sent to all member schools. George Sauer moved, seconded by Frank Simpson that these proposals be submitted to the Delegate Assembly. The motion was carried unanimously.

Mr. Mills presented a letter from Dr. Maurice Clay, requesting permission for the University of Kentucky Archives to conduct a project on the Oral History of Interscholastic Athletics in Kentucky. Frank Simpson made the motion that the project be approved. George Sauer seconed the motion and all members voted aye.

Mr. Mills presented a request from Mrs. Helen L. Lang, President of the Kentucky State Tennis Association, requesting that the finals of the Kentucky High School Tennis Tournament be sanctioned by the Board of Control. Following a lenghty discussion, Ray Story moved that the request be denied. Gene Sell seconded the motion and all members voted aye.

Upon written request from Mr. Don Beckhart, the Board discussed the eligibility status of students attending school on a quarterly grading system. The question pertained to those students completing the requirements for graduation at the end of the winter quarter, which would normally end in March, and whether or not they would be eligible to complete the sport they were involved in at the time and whether or not they would be eligible for spring sports. It was the unanimous opinion of the members of the Board that these students would be subject to the provisions of By-Law 9 and therefore ineligible for further athletic competition after completing the requirements for graduation.

Chairman Jack Fultz reported that it was the recommendation of the Personnel and Policy Committee that the administrative and office staff be compensated for additional duties assumed during the absence of Commissioner Mansfield. The recommendation was $3,000.00 for the Acting Commissioner, $1,500.00 for each of the Assistant Commissioners, and$500.00 for each of the secretaries. In addition Mr. Mills was instructed to obtain the salary schedules of the seven surrounding states for the purpose of assisting the Committee in setting salaries for the 1976-77 fiscal year. Denval Barriger moved that the recommendation be approved. Arthur Hawkins seconded the motion and it passed unanimously.

Cecil Reid moved, seconded by Eldon Davidson that all bills of the Association for the period beginning January 1, 1976, and ending February 27, 1976, be allowed. The motion carried unanimously.

The next meeting date was scheduled for 9:00 A.M., April 15, 1976, at Stouffers' Inn, Louisville.

There being no further business, the meeting adjourned.

COACHES CORNER

Coaches' Corner would like to take this opportunity to congratulate Bo Davenport and his exciting Edmonson County basketball team for their tremendous performance in being crowned 1976 state high school basketball champs. An equally exciting performance and accomplishment was achieved by Sacred Heart Academy and its fine coach, Bunny Daugherty, as they captured the 1976 girls state basketball championship. Just a great job by both coaches and their fine teams.

It was during the boys state tournament that the Kentucky Coach's Association held the first of what is to be two meetings of the association this year. Of course, the second is to be held Thursday during KEA. The purpose of the state tournament meeting was to try to create more interest and enthusiasm among coaches throughout the state. It was hoped that a meeting at this time would be so well attended and received by the coaches that in the future it might become

COACHES CORNER

(Continued from Page Two)

the permanent time for the Associations annual meeting. However, true to form, the coaches again proved their lack of interest and lack of general concern for their association as well as the coaching profession. This was demonstrated when about 40 coaches attended the meeting. These are the interested coaches, but what a far cry from what is needed to make our association the strong, influential force in high school athletics it should and must be. It was a shame that only a small few were present to hear such important matters as the fate of the Coaches East-West All Star game, financial difficulties of said game, and the much needed support and all out help of all coaches if the game is to continue.

Gentlemen, lets be realistic, if our association is going to serve the needs of all coaches and prove to be a strong guiding force for athletics in the state then we are going to have to get rid of our apathy and make a concerned effort to become involved.

Don't forget to use Coaches Corner as a means of communication with fellow coaches and schools. If games are needed, coaches are needed, or any information concerning athletics send it to Coaches Corner. For next month send all information to Pat Dale, Montgomery High School.
